Dario Dimare  
Dario Designs  
116 Middle Road  
Southborough, MA 01772

Dear Dario,

I wanted to thank you and the staff for your thorough job on our building program and master plan. You required a lot of detail and thought from me and the department heads, but it all came together into a space needs plan that was what we needed to hear, not what we wanted to hear. And that will make for better planning in the years ahead.

Sincerely,

Paul Briand  
Director of Operations
