Mr. David Hogan  
Dario Designs, Inc.  
205 Walnut Street  
Framingham, MA 01702

Dear Dave:

The folks at Dario Designs have been a delight to work with from the beginning. They're very knowledgeable about newspaper operations and combine that with a wonderful design sense, all the while working on behalf of the client to keep costs low and quality high. The end result is more than I could have hoped for...a beautiful addition to the landscape of downtown Flint, a building I receive glowing compliments about every single day.

Sincerely,

Roger D. Samuel
