Mr. Dario DiMare,
President,
DARIO DESIGNS, INC.
1 Elda Road
Framingham, Massachusetts 01701

Dear Dario:

I wanted to formally thank you for the excellent work on the Easton press facility. I know it was a tough job with a tight budget and a tough client. Now that you're wrapping up the final little details, I wanted to let you know how happy we are with the building. It's serving our purposes splendidly.

Without Dave's and yours initial design ideas, continuing suggestions, attention to detail, and follow through with the contractor, we could not have built the building we did.

I hope you feel that all the perspiration and aggravation was worth it. We're proud to have the name of The Express-Times on the building, and I hope you feel the same about being associated with the project.

Sincerely,

Richard J. Vezza
