To Whom It May Concern:

This letter will serve as a positive recommendation for the services of Dario Design.

Their firm provided a full range of consulting services including strategic master planning, design, architectural and construction oversight, and equipment specification and negotiation. Our project entailed construction of a new Greenfield remote printing and distribution facility for the Janesville Gazette and the purchase of a new KBA Comet press and related inserting and packaging equipment.

The Dario staff is extremely competent, experienced, and provided expert consulting from start to finish. With the exception of change orders initiated by us the job came in on budget and on time. We are very satisfied and given the opportunity would choose Dario Design for future work.

Sincerely,

A handwritten signature in black ink that reads 'Sidney H. Bliss'. The signature is written in a cursive, flowing style.

Sidney H. Bliss
President/CEO
